- 1.3 Please note that you permit us to share certain information with third parties and this Policy does not apply to the practices of other users of our Services (including Third Party Suppliers (as defined in the Terms of Service)) that may collect information from you by various means through Third Party Sites (“Third Party Sites”) when you interact with them through the Services. This includes third parties which use our services on their websites, who are not under our control and process your personal information as an independent data controller; we are not responsible for and do not endorse their content or their privacy policies (if any). You will need to make your own independent judgement regarding your interaction with these third parties, including the purchase and use of any products or services accessible through them, therefore please review their privacy policies for information about their own privacy practices before providing them with any personal information.
- 1.4 Throughout this Policy, we use the term “**personal information**” to describe any data associated with a specific person that can be used directly or indirectly to identify that person.

We will notify you of these changes when you next use our Services (where applicable) and/or also by way of posting an amended version on our website. We recommend that you regularly check the current version available. If we make changes to this Policy, the “Effective Date” at the top of this page will be updated accordingly. All direct marketing communication will be provided to you via MobiCash App and/or sent to your email address by our marketing and/or customer service team (if and when applicable).

7.3 You may opt-in to allow information from MobiCash App to be used by Compass Plus in order to present you with relevant Offers and Loyalty Rewards from Third Party Suppliers that you have made payments to using the MobiCash Service.
