INFORMATION ABOUT OUR USE OF COOKIES

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to make improvements to our website.

WHAT ARE COOKIES?

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer and/or mobile device if you agree. Cookies contain information that is transferred to your computer's hard drive and/or mobile device.

HOW ARE OUR COOKIES CATEGORISED?

The cookies we use can be categorised depending on their purpose:

- **Strictly necessary cookies.** These are cookies that are required for the operation of our website.
- **Analytical or performance cookies**. These allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.
- **Functionality cookies**. These are used to recognise you when you return to our website. This enables us to personalise our content for you and remember your preferences (for example, your choice of language or region).
- **Targeting cookies.** These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the advertising displayed on it more relevant to your interests.
- **Persistent cookies**: these cookies remain on a user's device for the period of time specified in the cookie. They are activated each time that the user visits the website that created that particular cookie.
- **Session cookies**: these cookies allow website operators to link the actions of a user during a browser session. A browser session starts when a user opens the browser window and finishes when they close the browser window. Session cookies are created temporarily. Once you close the browser, all session cookies are deleted.

Cookies can also be distinguished as first-party cookies or third-party cookies.

- First-party cookies are allocated to the website that you visit.
- Third-party cookies come from a third-party, such as a web analytics program.

Information regarding the specific first-party cookies we use can be found in the below table:

WHAT SPECIFIC COOKIES DO WE USE ON WWW.MOBICASHPAYMENTS.COM?

First-Party Cookies

Cookie ID	Purpose	Duration

PHPSESSID	Session Identifier: This session cookie is installed automatically. Used to store a unique random identifier for each visit to this website. No other information is written to this cookie on your computer/device.	1 week
pview	This cookie remembers whether the banner explaining our use of cookies has already been shown.	1 year
cpppbnr1	Remembers whether an informational popup banner (e.g. specific to an urgent company announcement) has already been shown	Deletes at the end of the browsing session

Third-Party Cookies

Please note that a number of third parties may also use cookies on our website, over which we have no control. These third parties may include, for example, advertising networks and providers of external services like web traffic analysis services. The cookies placed by these third parties are likely to be analytical cookies, performance cookies or targeting cookies:

This website includes links to third-party websites, plug-ins and applications. Clicking on those links or enabling those connections may allow third parties to collect or share data about you. We do not control these third-party websites and are not responsible for their privacy statements. When you leave our website, we encourage you to read the privacy notice of every website you visit. Social media links have been added to our website to enable you to share our content with your friends and networks. They are capable of tracking your browser across other websites and building up a profile of your interests. This may impact the content and messages you see on other websites you visit. If you do not allow these cookies you may not be able to use or see these sharing tools.

MANAGING YOUR COOKIES

Strictly necessary cookies are essential for our website to function; therefore, you can not disable these cookies or 'opt-out'.

You can manage your cookie preferences for all other cookies within your own browser. Your browser can be used to manage cookies relating to statistics and site improvement, preferences and personalisation and marketing. Different browsers use different ways to disable cookies, but they are usually found under a Tools, Options menu or Settings.

It should be noted that if you opt to disable certain cookies you may be restricted from accessing certain areas on our website. You may also receive a warning when you try to use our website after disabling certain cookies.

COOKIES AND PERSONAL DATA

Where the cookies on our website contain personal data, all information contained within will be handled with the upmost care in accordance with our Privacy Policy. You can find this policy here.

MORE INFORMATION ABOUT COOKIES

In this data-driven world, it's more important than ever to know who is using your data, and why. As a business we encourage you to take ownership and control over your data.

Useful guidance can be found at https://ico.org.uk/your-data-matters/be-data-aware/
